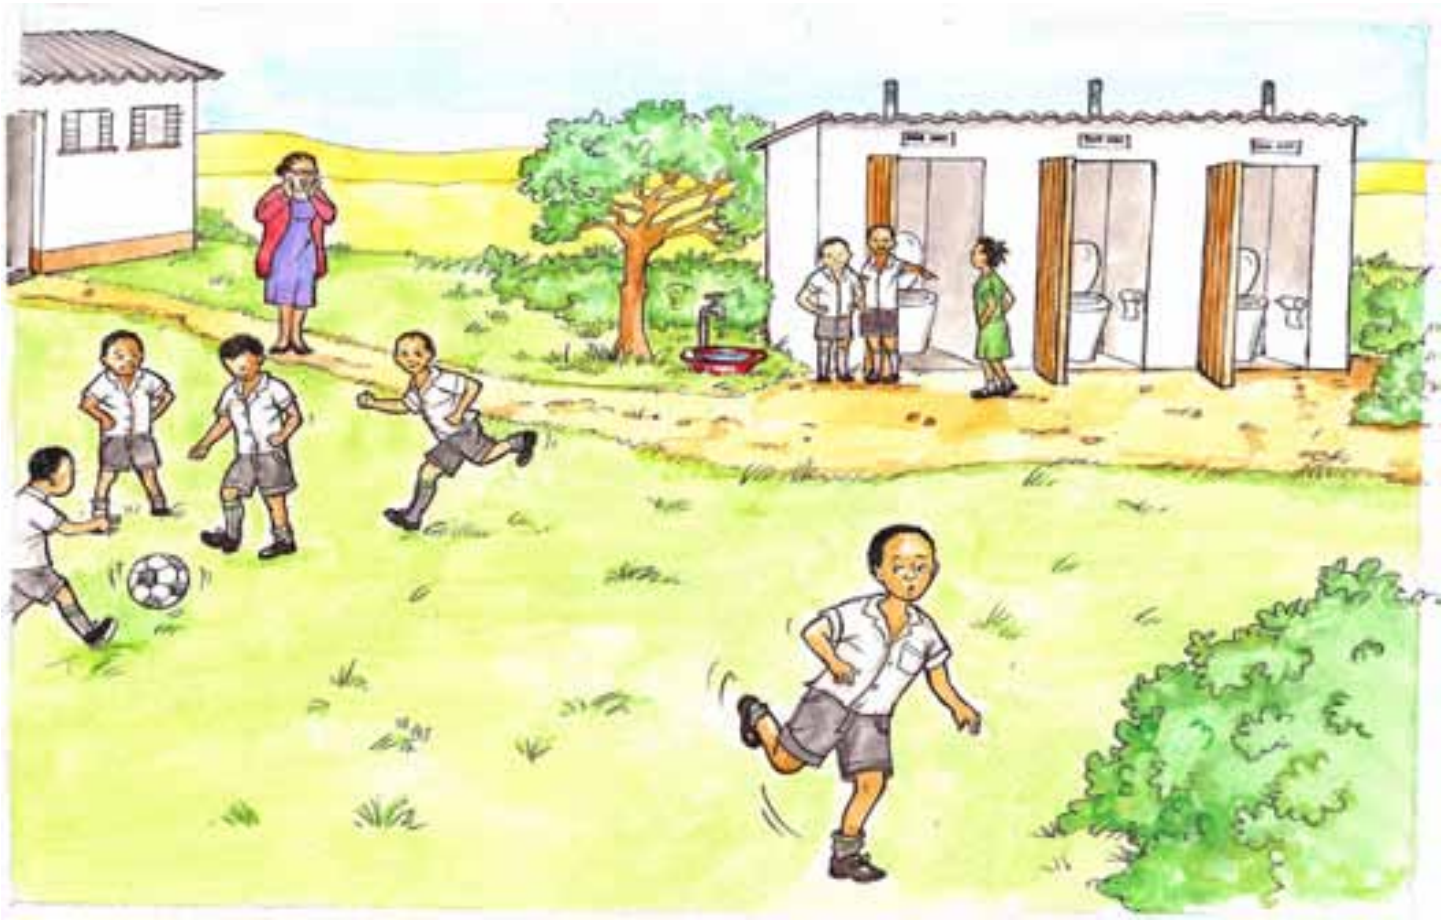
U Nkosikazi Khumalo uyamemeza, "Dumisani ungasebenzisi izihlahla ukuya endle, sebenzisa izindlu zangasese." U Dumi uyesaba ukusebenzisa izindlu zangasese zasesikoleni. Lezizindlu zingcolile,ziyanuka, kanti nezihlalo zazo zinkulu. Useke wezwa nokuthi kunenyoka enkulu ehlala ngemuva kwalezindlu.

Mrs Khumalo calls, "Dumisani, don't use the bushes, use the toilets." But Dumi is afraid to use the school toilets. They are dirty and smelly and the seats are too big. He has also heard that a big snake lives behind them.



U Dumi usehlezi endlini yangasese, usezwa umsindo woukufutha oqhamuka ngasemuva, acabange ukuthi owenyoka. Uyagxuma ugijimela egunjini lakhe lokufundela. Wethuke kakhulu usekhohlwa nawukuhlamba izandla zakhe.

The nurse at the clinic says, "If you don't wash your hands after using the toilet you can get sick." Dumi remembers that he was so scared of the snake that he forgot to wash his hands.

Bali talks to his father. On the weekend they make boxes for the children to stand on. They put handles on the walls and fix the doors. They clean the toilets. “Don’t put Jeyes Fluid in the toilets,” says his father. “It kills the good bacteria that make the poo and wee safe.”

U Nkosikazi Khumalo umangazwa ngumehluko wezindlu zangases.“ Ubaba nami esenze lokhu,” kusho u Bali emoyizela ngokuziqhayisa. “Nenze kahle,” kusho uNkosikazi Khumalo. “Manje sesinomsebenzi wokuzigcina zikulesisimo!”

Mrs Khumalo is amazed at the difference. “My dad and I did it,” says Bali, smiling proudly. “Well done,” says Mrs Khumalo. “Now we have to make sure the school toilets stay like this!”

Egunjini lokufundela, wonke umfundi ufuna ukungenela ithimba lofokisi bamanzi. Bakhetha iqembu lokuhlanza lezindlu zangasese, " Ngizobheka ukhula," "Ngizoshanela." "Ngizohlanza." "Ningakhohlwa ukuhlanza izandla zenu." Kusho u Dumisani.

Back in class, everyone wants to join the Water Detectives. They choose teams for toilet duty. "I'll do the weeds." "I'll sweep." "I'll clean." "Don't forget to wash your hands," says Dumi.
