All objectives and tasks listed here should be the same as the objectives and tasks listed in the financial schedule.

Colour in the blocks to show clearly when the tasks will take place and when the project will be completed. Project monitoring and admin should cover every project month. Add more lines to show additional objectives and tasks where necessary, and re-number accordingly. Dates for IWRM Events will be provided by the IWRM Project coordinators from time to time. Please do not delete the section pertaining to work on IWRM shared objectives.
