

Emerging Farmer Forum Workshop

DWAF, Bellville
11 February 2009

- What is the forum's goal?
- What are the forums currently busy with?
 - Work in groups to answer these questions
 - What is the forum currently busy with
 - PMG report
 - What is DWAF doing to support the forums
 - What is GARC doing to support the forums
 - What is SPP doing to support the forums

Forum Objectives within the BIG Picture

- Where will the emerging farmer forums be in five years?
 - What will the forum look like?
 - What will the forum be doing?
 - Who will fund the forum's activities?

Visioning

- What can the forums do with IWRM funding between February 2009 to October 2009?
 - Inputs from Forums
 - Inputs from DWAF
 - Inputs from GARC
 - Inputs from SPP

IWRM and the Forums

Forum Objectives in relation to the Goals of the DWAF and IWRM Funders and Partners

- Review the Water Allocation Reform document
- Consider the National Water Act
 - What can the forums do to support WAR
 - Are there hotspots that can be addressed immediately?

- Look at the notes of the workshop with the X's to discover what the groups thought the Forums could do to assist them with barriers
 - List the services people are looking for
 - Are they realistic? Can the Forums do this?
 - Prioritise the areas that need assistance from the Forums
 - Produce a letter to all the IWRM Projects telling them about the outcomes of this workshop

IWRM Project's Expectations
